

20-Foot Cargo Trailer

Maximize hauling productivity

Move 30,000 lbs (13,608 kg) of cargo at speeds of 20 - 25 mph (32 to 40 kph)

A versatile trailer equipped to handle both 96 in (244 cm) and 88 in (224 cm) cargo pallets, as well as one 239 in (607 cm) container or two 125 in (318 cm) containers.

Durable 2.5 in (6.4 cm) **bed rollers** for easy pallet or container maneuverability

Spring-loaded pallet locks secure cargo in place

Adjustable roller racks accommodate side or end loading, and provide flexibility for any operation

Sealed bearings prevent contamination and eliminate the need for lubrication, providing maximum uptime

Towbar-actuated rear-wheel brakes for increased safety

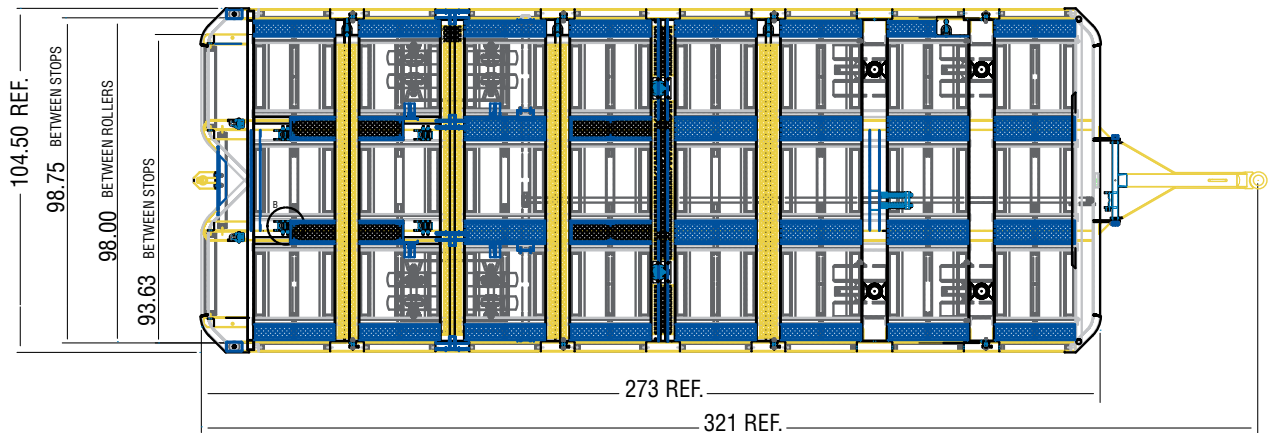

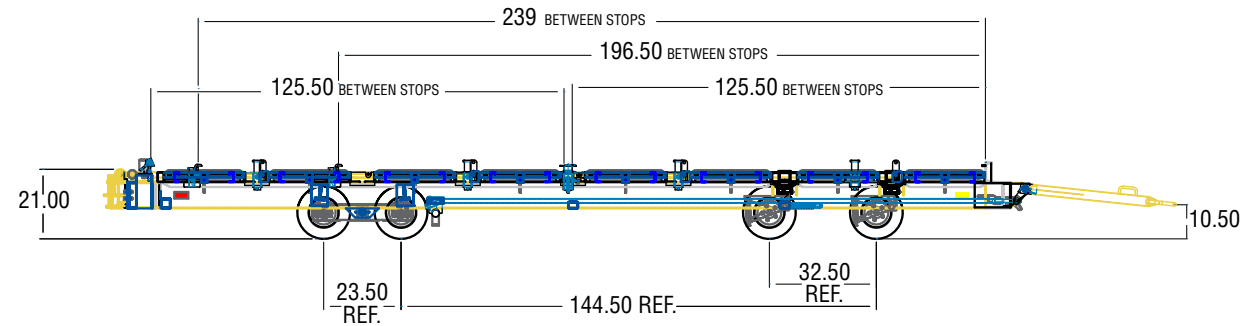

Options

- **Hot-dip galvanizing** provides additional corrosion resistance
